FIELD EXPERIENCE

Belize Study Abroad Program

San Ignacio, Belize | January - May 2013
- Expanded understanding of social and environmental sustainable tourism, global history and significance of chocolate, coffee, and sugar within society.
- Completed a six week field school specializing in Maya archaeology with training in lab and field work consisting of proper techniques in unit mapping and digging techniques.
- Conducted an independent study which involved creating a digital map of the archaeological site of Cahal Pech and units from the archeological dig using GPS and ArcGIS software.
- Created database for Maya site locations for Belize's Institute of Archaeology.

Archaeology Lab Volunteer

Mount Pleasant, MI | Fall 2012
- Assisted in the cleaning, identification/analysis, and cataloging of artifacts.

Archaeology Field Work Volunteer

Mackinaw City, MI | Summer 2012
- Participated in a week long archaeological investigation at the McGulpin Lighthouse and Heritage Village under the supervision of Dr. Sarah Surface-Evans.
- Gained experience in proper archaeological techniques: mapping, field notes, and Munsell soil charts.

Fort Michilimackinac Archaeology Volunteer

Mackinaw City, MI | Summer 2010
- Participated in an archaeological dig of a trader's home in Fort Michilimackinac under the supervision of Dr. Lynn Evans.

Tip of the Mitt Watershed Council Volunteer

Petoskey, MI | September - December 2014
- Assisted in the construction of land use maps, creating digitized maps of various plant types from GPS tracks and from aerial imagery using ArcGIS software.
